Please return this application to Human Resources who will provide a copy to MCRNA.

ELECTION AND AUTHORIZATION FOR REPRESENTATION

I elect to be represented by Larry Alan Katz of the Monterey County Registered Nurses' Association regarding an investigation or potential disciplinary action currently pending. In addition, I authorize Larry Alan Katz to receive notification and any documentation relating to a pending investigation and/or potential disciplinary action.

Although I am notifying the County of my election for representation and authorization to release materials, I understand that it is my responsibility to personally notify my representative that I have elected representation by the Monterey County Registered Nurses' Association.
